

Conduct a Workplace Campaign

Thank you for your commitment to United Way of Salt Lake and helping to create lasting change in our community. Our work, with the support of our partners, improves lives and strengthens our community. But the benefits also extend to our corporate partners, who reap well-earned rewards for nurturing community growth and change. [Click here](#) to learn more about how conducting a workplace campaign benefits your organization and your employees!

We provide the tools to make running your employee giving campaign a breeze. To get help planning your workplace campaign, check out the information provided below and as always, you can rely on our experienced staff of professionals to help. For more information contact Jason Castor at 801.736.7708.

Making plans for 2010/2011? Who will be leading your organization's workplace campaign race? Submit your campaign manager information [here](#).
