

Lincoln Elementary Neighborhood Center

Our Community

Lincoln Elementary is a Granite School District school in the City of South Salt Lake. United Way of Salt Lake partners with the school, district, city, and various other partners to provide intentional, aligned resources for families. Lincoln serves approximately 460 students and is a Title I school. Ninety-five percent of students qualify for free and/or reduced price lunch. Lincoln has a diverse population comprised of many immigrant and refugee families. Over 25 languages are spoken at the school and 50 percent of students are English Language Learners.

Vision: Lincoln Elementary is committed to empowering our community in achieving success.

Mission: Lincoln Elementary is a professional learning community working together so that every child: excels toward college and career readiness; perseveres in a safe, consistent learning environment; is accountable for personal growth; values diversity and creativity.

Our Promise

Our promise is to support each student's journey in becoming responsible, contributing citizens on a track to college and career.

Our Goals

1. Increase student language arts proficiency
2. Increase student math proficiency
3. Increase parent and community involvement in school and in school activities
4. Increase support for English language learners

Our Results

From 2013 to 2014 the number of proficient math students increased five percent (Acuity Screener). The number of students with satisfactory attendance increased nine percent, with help from Lincoln's Mentoring for Success AmeriCorps program.

"Community Schools create alignment and partnerships with our larger community to provide necessary services to our students and their families. This provides them

with the opportunity to learn and grow in a supportive and caring environment. This wouldn't be possible without the collaboration and commitment of our community."

Karen Gregory

Principal, Lincoln Elementary School
