

Roosevelt Elementary Neighborhood Center

Our Community

At Roosevelt Elementary, United Way of Salt Lake partners with Granite School District, the City of South Salt Lake, and many other partners to provide programs and resources for families. Roosevelt Elementary serves over 500 students and is a Title 1 school. Ninety percent of students qualify for free and reduced price lunch. Roosevelt has a diverse population comprised of many immigrant and refugee families — over 25 languages are spoken at the school and 60 percent of students are English Language Learners. This Community School has a before school program (K-6th grade) and an after-school program (1st-6th grade).

Roosevelt Elementary is committed to keeping kids on track by supporting student achievement in math, science, and reading.

Our Promise

Our promise is that every student demonstrates grit by actively engaging in authentic experiences every day to become an inquisitive, self-confident, life-long learner who exhibits a positive attitude and respect for self and others.

Our Goals

1. Increase student language arts proficiency
2. Increase student math proficiency
3. Increase parent and community involvement in school and in school activities

Promise Partners

“Working with United Way of Salt Lake has provided many opportunities for our community. United Way of Salt Lake and Roosevelt’s strong partnership allows resources and services for students and families to be aligned with developing the whole child.

Teachers are able to focus on enriching students’ academic learning. Extended services are aligned to enhance the students’ academic day and provide programming for families outside of the school day. Together we are providing students and families with strong foundations for future success, both emotionally and socially.”

Malynda Cloward
Principal, Roosevelt Elementary School
